

Where Faith Makes the Difference in Education

Teaching MORE Than Academics:

Catholic Schools excel in teaching the academic subjects. Even more importantly, we teach the Catholic faith and Catholic values. Students, their parents and grandparents recognize how important a Catholic education is and are grateful for tuition assistance provided through the Faith & Values Appeal for Education.

"Our family would like to thank you for your help in educating our children in the Catholic tradition. Your support and aid helps us make that possible." | **from the parents of six children attending Catholic schools**

"Please know that your efforts to help me will encourage me to continue my determination to succeed." | **from a high school student**

"Your letter informing me that my son would receive Diocesan Tuition Assistance reminded me of the scripture that reads 'God can make a way out of no way.'" | **from a single father**
