Touch a life... Become a Hospice Volunteer

Hospice is a philosophy of care, not a place. We care for our patients wherever they call home. As a vital part of our team volunteers come from all walks of life, and have a variety of skills, talents and abilities. **Opportunities to serve are diverse:** visit patients and families to provide companionship, socialization, and comfort, help with legacy work, transportation, light housework, meal preparation, run errands, make phone calls, help with clerical work, attend health fairs, make a presentation. Volunteers with specialized professional qualifications and training are also needed: attorneys, licensed hair dressers, Massotherapists, pet therapy dogs and their handlers. Volunteer education is held frequently throughout northern Ohio. **Teen and most volunteers not having contact with patients take 4 hours of training while patient care volunteers have 16 hours.** For more info, 800-707-8922 x6881 or www.hospice.org/volunteer/volunteer-opportunities.

2015 First Step Programs

Attempting to pick up the pieces of one's life after the tragedy of divorce is complex and demanding. One of the significant issues that a person faces is their place in the Church. Does the Church still care about me even though I am divorced? Am I allowed to go to Mass? Can I receive communion? How can the Church help me heal? If I decide to marry again, what do I have to do?

The Tribunal of the Diocese of Cleveland is continuing to offer its very successful First Step Program in order to help individuals deal with these questions. The Church's teachings on marriage, divorce, and remarriage are often misunderstood. This program is offered to help everyone, especially those who have experienced divorce, learn more about Catholic teaching in these areas. Representatives from the Ministry to the Divorced Office of the Department for Marriage and Family Ministry will also be present to explain their ministry to those who are divorced.

Everyone is welcome to:

- Deepen their knowledge of the Church's teaching on marriage...
- Learn about the Church's ministry to the divorced/separated in the Diocese...
- Hear the true facts about the annulment process and how to submit a case...
- Discover a path to healing after divorce.

In any endeavor, taking the "first step" is always the most difficult. The First Step Program helps individuals to navigate the path of healing and closure, of which the annulment process is an important aspect.

2015 General Meeting Schedule
