Family Perspectives

We are a short-term, results-oriented society: "Show me the money!" "Cut your losses" is advised if gains are not in the near future. Today's gospel warns us that if we are not thinking long-term or if we react to the latest crisis in the news, we will probably be led astray. Jesus does not guarantee immediate gains in the Christian life. Stay invested in Him, especially when others are anxious and you will be rewarded in God's time.
