# Thank You!!

Thank you for your generosity in supporting the *Rooted in Faith – Forward in Hope* campaign. Together we are helping to ensure for years to come a stronger, more vibrant Catholic Church. Your enthusiasm towards this initiative and your vision beyond our parish community is most gratifying. You are most generous of your resources at Mother of Sorrows Parish. God bless you all!

*Father John Terzano*

## *Mother of Sorrows Parish*

To all the individuals and families who have thus far participated in *Rooted in Faith – Forward in Hope*, THANK YOU! I know several of you are still discerning your gift. This weekend there will be a final opportunity for people to pledge at Mass. Do give careful consideration to your participation in this historic initiative. Please keep in mind that 30% of everything pledged up until we reach our goal of \$231,000, and 70% of every additional pledge over the goal, will be returned to Mother of Sorrows to make improvements and repairs to our church grounds and facilities. Currently, over 11% of the parish has participated in this effort. With the support of every parish family and individual, Mother of Sorrows will reach the parish goal. In this way, we demonstrate our commitment to respond to the Gospel— to love, give hope, aid and comfort.

Know that God will always bless your generosity and support!
