## YOU DID IT for Grace

"It is really hard to find help when you have a child with disabilities," say Erin and Eric, who struggled to care for their daughter, Grace, at home for the first 10 years of her life. Grace has a multitude of disabilities; she can't speak and is in need of 24-hour care. Her parents couldn't imagine Grace anywhere but home, until they found Rose-Mary.

In June, Grace moved into one of the new Rose-Mary Homes for Our Future. "I think Grace actually feels like she is at her own home," says Erin. "I feel really lucky that we are able to have our daughter happy, and feel that she is safe and in good hands."

Thanks to the generosity of people like you, who support Catholic Charities, Rose-Mary has recently completed its Community Integration project, with all seven group homes now serving children and young adults with developmental disabilities.

# **YOU DID IT** – for Kevin

In 1998, Kevin was released from the VA Hospital to enter Matt Talbot for Men, where he received intensive treatment for overcoming addiction. "I wanted to stay sober," explains Kevin, who completed 90 days and then moved into a sober-living home. Kevin continued to visit Matt Talbot every day: "God kept bringing me back."

Kevin knew he wanted to give back and help others fighting addictions. In 2005, he was hired as a residential assistant at Matt Talbot. Recently, Kevin started a Heroin Anonymous recovery program that reaches out to addicts of this deadly drug. "God gave me this opportunity. Now I can help others see a better life."

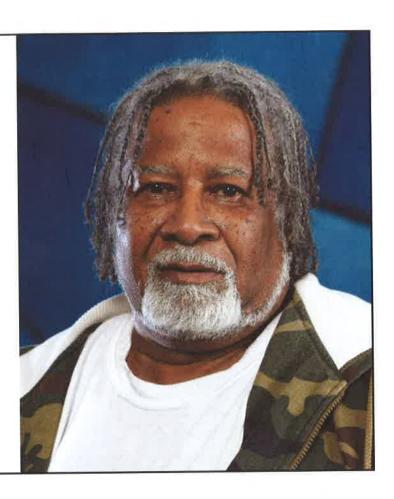

Matt Talbot for Men and Matt Talbot for Women offer intensive residential treatment for people fighting addiction. In 2016, Matt Talbot for Women expanded, opening a second treatment facility to meet the growing needs of the community.
